Welcome

Hooraay! It's our 6th birthday! From our beginning as 'The Blofield & Brundall Book' to the pages you read now, our aim has always been to give you a quality magazine to read, keep and use for local businesses and events.

This birthday edition introduces some great new items including '5 Minutes With...' - a chance to get to know more about a local face.

Plus you've the chance to win tickets to Lingwood's Firework Spectacular where £2,500 of fireworks will light up the sky.

Your comments...

Praise for our local businesses from your neighbours

"I've recently seen Suzette at **The Brundall Clinic**. She is absolutely fantastic! I would recommend her to anybody who has aches, pains or sport injuries." Visitor to Brundall

We'd like to commend Ashley at **Cuatro Computers** for his unfailingly excellent service and patience with what must sometimes seem like stupid questions! Value-for-money at its best.
 Bobbie Aldred (Mrs)

It was a friendly and very efficient service that I received during the purchase and installation of my new flooring, with much attention to detail resulting in a very nice finish. I use your Village book quite often and would like to say thanks to Michelle and her team at **Ideal Flooring**.
 Lella Angel, Upton.

Following a positive comment (seen in The Village Book), we employed **New Electric Solutions** to carry out several wiring and fitting electrical jobs in our home. We too found Rob extremely competent, thorough and pleasant. He discussed options with us before going ahead and we found his prices very fair. No hesitation in recommending him.
